

75 years of Coffee Tea & Cakes for Chester & N Wales CTC

It has been suggested that as part of the 75th anniversary celebrations it might be possible to put together a small booklet with a few club photos from the archives and some recipes from our members (for cakes, biscuits etc). This booklet would then be available for members to purchase.

To get any idea of the level of interest please could those who might be interested in submitting a recipe contact Lowri Evans (Secretary). At the moment a full recipe isn't needed just the name of the recipe.

Please remember we don't want to breach copyright so any recipes must be your own - not taken from a published recipe book. If there is sufficient interest & variety (not just 82 variations on a theme of flapjack) we will ask for the detailed recipes & look at the next stage of producing the booklet.

Please contact Lowri Evans with your suggestions by the 20th December 2013. Thank you.
