

Chester and North Wales CTC Caer a Gogledd Cymru Annual General Meeting

Kinnerton Scout Headquarters -1st November 2009

Thirty members were present at the Parent Member Group Annual General Meeting held at Kinnerton Scout Headquarters on 1st November 2009. This was less than half the number who attended last year's meeting due in part to the poor weather forecast.

Glennys Hammond (Secretary) opened the meeting and Mike Cross was elected Chair for 2010. He welcomed everyone to the meeting including our re-elected CTC North West Councillor, David Robinson, and newly-elected CTC North West Councillor Welna Bowden who takes up her post on 1st January 2010.

The Treasurer's and Secretary's Reports were accepted and the Draft Local Rules Summary Document presented for consideration by the meeting was accepted without amendment. They were approved on 3rd December 2009 by CTC National Council. The 2009 Secretary's Report and (now) approved Local Rules Document are on our website on the Documents page.

There are no changes to the Committee – members of the 2009 Committee were elected to continue in their current posts in 2010.

The Awards Committee agreed to remain in post for 2010. They are: David Ackerley (Convenor), Mike Cross and Arthur Miller.

To celebrate our 70th Anniversary year, the Awards Committee received nominations for Certificates of Meritorious Conduct to be presented to six individual members and one couple in recognition of their service to the club over many years - one for each decade since the club was founded. These 'unsung heroes' were nominated for consistently helping the club in many ways as background volunteers. They are: Peter Barnes, Barry Davis, Dave Hill, Ifor Jones, Doreen Lindsey, John and Barbara Smith, and Harry Watson. Photos of our unsung heroes are below. President Mike Cross presented the Certificates.
