

## **Bert Bailey Memorial Veterans' 100-mile Ride (BBMV100) 1st July 2018**

The date of the event is Sunday July 1 2018. In 2018 the BBMV100 is using an electronic entry system. The On-line entry system is now available.. No entries after this date or on the line will be accepted. Click [here](#) to enter the event [here](#) for further details and [here](#) for the route sheet.

### **Electronic Entries**

The electronic entry system accepts credit and debit cards but not PayPal. It is also possible to pay by cheque if necessary, but *we would much rather have credit/debit cards as this cuts down on administration*. Click [here](#) to enter the event. All those who have entered electronically will receive an email giving details of riding groups and start times approx. one week before the event.

### **Paper Entries**

Anyone needing a paper entry for the event should send 2 SAEs to Laurie Mason, Organiser, at 30 Clarendon Close Chester CH4 7BL.

The first SAE will be used to return the entry form and route sheet. The completed entry form and a cheque, made out to Chester and North Wales CTC for £26.00, should be returned to the Organiser.

The second SAE will be used to post details of ride groups and start times approximately 1 week before the event.

### **Closing date for entries**

Please note that due to holiday arrangements of the organiser and the need to finalise catering arrangements, the strict closing date for entries is Tuesday June 5 2018, 3 weeks before the event. No entries after this date or on the line will be accepted.

### **Route Sheet**

The route sheet is on our website - [www.ctcchesterandnwales.org.uk](http://www.ctcchesterandnwales.org.uk). If you cannot access the website send an SAE to Laurie Mason to get a paper copy.
