

The Bickerton Challenge Rides Interim Report

The Bickerton Challenge Rides and Le Tour de Tattenhall in aid of Help4Heroes, were held on 25th July and drew a combined entry of 38 riders. The weather was very suitable for cycling, being dry, not too windy and dull for most of the day.

All the riders except two completed their rides without incident. The two who didn't touched wheels when singling out to avoid a caravan outfit, and one lady fell off and injured a leg. Though they were near the end of their ride, time was passing and they completed the last three miles by car.

Some riders had to get off home without waiting for their tea, but those who did stop for tea commented on how welcome and how very good it was.

The prize for the club with the most riders to complete the 104 mile ride into Wales was won by North Shropshire Wheelers, who very generously donated it to the fund for Help4Heroes; Thanks lads. The winners of the remaining two prizes cannot be determined until the closing date for sponsorship and donations, which is 31st August, has passed. At this stage of the proceedings it is not possible to be accurate about the finances, but it looks likely that there will be a substantial sum to be sent to H4H. The precise amount and the names of the winners of the two remaining prizes will be announced early in September. In the mean time, if you have not yet done anything about donating, there is still time for you to remedy that oversight. Download a donations form off this site at Events 2010, collect donations or simply make one yourself, and send your cheque (Payable to The Bickerton Challenge) to the address on the form. Thanks to all who have ridden and donated.
