

The Bob Clift Memorial Cheshire Cycleway Rides

13th June 2010

The Waverton Institute has again proved to be a very suitable and convenient venue for the Bob Clift Memorial Rides on 13th June. We were happy with the turnout of 30 riders on the 100 mile and 70 on the 50 mile but, sadly, we only had 6 on the 25 mile. We hope for more young and new riders next year. The day started warm and dry but in the afternoon heavy rain gave everyone a soaking. A new lunch stop for the 100 mile, Scotwood Nursery by Bollington, was extremely popular with the riders, as our host, Mike, put on a barbecue and provided soup, butties and cake as well. The Carriers Inn at Hatchmere was also commended and the Women's Institute at Jessie Hughes, Eaton, did us proud as always. Many thanks are due to all riders and helpers.
