

## New Years Day Lunch, Carden Arms, Tilston - 1st January 2011

There was a good turnout as ever at the Carden Arms, Tilston. Harry recorded that 36 attended, most having cycled there with relatively benign road conditions in the morning. Our president, Mike Cross, presented the fine, new trophies, beautifully mounted on stylish stands, to Lowri Evans and Andy Polakowski for their successful CTC Competition results in 2010. I hope both managed to carry their trophies with bulky cases back home in the saddlebag. Sadly the grey skies gave a persistent drizzle for the return ride but with all the snow and ice now gone from previous weeks, this was almost enjoyable. Thanks to all who turned up.
