

Llysfasi Hill Climb and Freewheel Competitions 4th October 2014

There was a good turnout in spite of a poor weather forecast!

Eighteen riders took the challenge of the hill climb

with **Steve Larwood** retaining the title in seven minutes 28 seconds (the same time as the previous year). **Mike Frith** was second (7.53), with **Sarah Hamill** 3rd and 1st Lady (7.54). **David Statham** was the 1st super-veteran.

The sun broke through as the riders moved on to **Graigfechan** for a fiercely contested freewheeling competition. There were 24 riders taking part (23 were CTC members). **Roy Bunnell** was delighted with his victory, closely followed by **Peter Dilworth** and in third place was **Dave Statham**. The ladies appeared reluctant to pass the pub door, but **Sarah Hamill** went far enough to be awarded first lady. Congratulations to **Jake Walker** (the youngest rider at 13) for being first junior. Refreshments after the event & the prize presentations were at the **Three Pigeons Inn, Graigfechan**.
