

Certificate of Meritorious Service

In view of the fact that next year is the 70th Anniversary of Chester & North Wales CTC, the Awards Committee feels that some recognition by the DA of individual members' contribution towards the work and welfare of the DA should be made.

Consequently, it has been decided that for 2009 only, there will be **7 Certificates for Meritorious Service to Chester & North Wales CTC**. These awards are open to all members, and are intended to reflect the vital, and often unsung efforts, put in by members volunteering to act as marshals, tea makers, car park attendants, ride leaders and so on. Without their efforts the DA's events could not be run in their present form.

The awards will be presented at some suitable DA event next summer. All DA members are invited to submit written nominations for these awards, the closing date for which is 1st May 2009.

Written nominations should be sent to:

- a) David Ackerley, Ardminish House, Tattenhall Rd, Tattenhall, Nr. Chester. CH3 9QQ or
- b) By email to: diamentina@btinternet.com
