New Year's Day Meet at The White Horse, Churton

About fifty riders turned up either on their bicycles or by car to welcome in the cycling year at the White Horse pub in Churton. The food was excellent as was the company. Lowri Evans was presented with the Tourist Trophy for the highest-placed Ch&NW CTC lady rider in the National CTC Tourist Competition and Paul Mills was presented with the equivalent gentleman's trophy.

Mike Cross also presented Harry Watson with a certificate in appreciation of his long leadership of Watson's Wanderers. Many thanks to David Matthews for organising this successful and well-attended Event.
