

Chairman's Meet

White Horse, Churton - 1st January 2018

The Chairman's Meet 2018 was held at the White Horse in Churton for the third year in succession (following the closure of the Carden Arms in Tilston for refurbishment).

A group of fourteen of us met at the Christleton Duck Pond at 10:30am, in reasonable weather for once, and ably led by Sue Booth, we embarked on a circuitous route to Churton via Tattenhall---arriving spot on time at noon.

Here we were joined by another twenty-five riders from our **Chester and North Wales** region to enjoy an excellent hotpot lunch (well improved on previous year's offerings) whilst presentations were made by our **President Mike Cross** to the worthy recipients as outlined below.

The rain poured down whilst we were in the pub, but mercifully cleared up in time for the ride home. Everyone seemed to enjoy themselves and we look forward to a repeat next year - probably at the **White Horse** but possible returning to **Tilston**. This decision will be discussed and finalised at the next **Committee Meeting** on February 15th - so if you have any strong views on the venue, please contact our Secretary, Lowri.

Arrival at Churton

Presentation of Awards

Tourist Competition

These trophies are awarded to the highest-placed lady and gentleman in the National Tourist Competition.

Terry Davies was presented with the **C&NW CTC Tourist Competition Men's Trophy** for gaining the most points in the **2017 Tourist Competition**. This was the first time he had won the trophy; he was second in 2015 and 2016 (both times by only one point). Last year's winner, **Paul Mills** in second place this year.

Terry and Mike

Lowri and Mike

Lowri Evans was presented with the C&NW CTC Tourist Competition Women's Trophy for gaining the most points in 2017.

At the time of writing the national results for 2017 have not been finalised.

Sue Booth was presented with a Cycling UK Certificate of Merit. This was in recognition of the work she has done as a volunteer for CTC and now Cycling UK over many years.
