

The Chain.

As part of the celebrations to mark the Club's 75th Anniversary, an 80 page booklet called **The Chain** has been produced. Its contents are drawn from the Club's secretaries' reports and extracts from the various newsletters and magazines that have appeared since the foundation of Chester & North Wales CTC Caer a Gogledd Cymru in 1939.

The Chain is available to non-subscribers to The Link on payment of £5 per copy, and any who wish to receive this interesting story of CNW CTC, should download and complete this form. There are only a limited number of copies of **The Chain** available, so early application is advised.
