## "Into the Berwyns" - Saturday May 19th 2018

These well regarded, classic rides are based on Willington Hall Country House hotel near Kelsall, Chester and visit the beautiful Berwyn hills above Llangollen. Note that routes revised in 2017 are retained for 2018 following positive feedback from riders.

**"Tour of the Berwyns"** 200km, the West Cheshire/ N. Wales classic Audax ride which has been followed for at least 30 years with just a few variations. Once out of Cheshire, the route visits Prospect Tea Rooms above the Llangollen Panorama. After descending the Panorama, the River Dee is then followed to Corwen. From here the central, key section climbs the Milltir Gerrig pass, descends to Llangynog and then follows the hill road from Llanrheadr-Y-M back over the hills to Chirk. Finally there is a flat run back through Cheshire lanes to the hotel. An exhilarating ride in outstanding scenery.

**" Panorama Prospect"** 130km is a shorter version of the above, which misses the central mountain section of the 200km route by descending early from the Panorama to the Aqueduct and hence Chirk. A new ride which now avoids the killer hill through Vivod (used previously by the now defunct Llangollen Panorama) gives a more even standard throughout.
