

Cleopatra's, Holt - 28th October 2018

Riders assembled on the lovely Autumn morning opposite the **Eureka**.

The large group was divided into three - **Janet** led a group to go further and faster, **Dave W** led

the main group and **Brian L** led a slower and gentler paced group. So, there was something for everyone!

Riders enjoyed the ride through **Alford**, avoiding the traffic on the **B5130**

After 21 miles we arrived at **Cleopatra's** in Holt.

We had an excellent lunch of sandwiches and chips enjoyed by all

- with no empty plates! Many thanks to **Dave** who sorted out all the money, quite a problem.
