

The Royal Oak, Kinnerton - 25th August 2019

On one of the hottest days of the year, 28 degrees C the group gathered outside the **Eureka Café** - some lucky enough to have a pre-ride drink in the sunshine

we split into two smaller groups and headed off down **Woodbank** and across the **Dee** via **Hawarden Bridge**, through **Connah's Quay** and up the infamous **Papermill Lane**

Here are some of the group arriving at the top of the hill - there is no sign of **Paul M** as he was well in advance of the photographer!

The route was interesting and varied via **Northop**, **Altami**, Buckley, **Dobs Hill**, and so down to the **Royal Oak** at **Higher Kinnerton** which mainly serves traditional Sunday roasts but was flexible enough to meet our needs, the outside area was excellent the result of considerable investment.

We returned by a well ridden route down to the **Higher Ferry** and along the **River Dee path**.

Please note the **Two Mills shirts**. Mainly the group then returned to the **Eureka** with some returning home across the **Dee Marsh** and needing a little refreshment on the way.

A lovely summers day ride with exceptional weather and our thanks to **John W** for leading this Bank Holiday ride.
