

Walk Mill Bakery and Café - 3rd June 2018

It was one of those days that would put a smile on anyone face, the sun was shining, the birds were singing, there was no wind, and it was warm as the group gathered at the bus stop, with thirteen riders ready to start for **Walk Mill**, not a direct route but a circular one and all the better for that, it went by **Capenhurst**, **Dunkirk**, **A5117**, **Stoak**, **Mickle Trafford**, **A56**, and **Dunham** where we made our first stop, crossing the **Tarporley** bypass.

Rest at Dunham

Walk Mill is of course a working Mill and was grinding the flour all the time we are sitting in the

sun, and **Ben**, the miller was serving our meal at times, no problem with the service even on a very busy Sunday!

Lunch at Walk Mill

After a very pleasant lunch stop we proceeded via the three old **Pack Horse bridges** over **Hockenhull Platts**, the path was very overgrown and you had to be careful not to get stung by nettles, but the route made a pleasant diversion from the normal roads.

The old Pack Horse Bridges

The route then returned partly by the **Greenway**, and via **Mollington** and the gated railway path to the **Eureka**, a very interesting, comfortable, and enjoyable ride

Thank you **Glennys**.
