

CTC Two Mills Annual Dinner – 27th April 2013

A new venue for our dinner this year, **The Hooton Hotel**, provided us with a very varied menu: ranging from steak, to fish and chips, to burgers.

Fortunately, finger bowls were provided with the chicken wings. Very messy!

Voting for the much sought after photo of our **Silver Cup Award** (we really must get round to buying a real one), for '**Personality of the Year**', was a very close call.

So close in fact that after three re-counts there were two winners - **Brian and Sylvia** (team prize?) - and **John Ferguson** (for being a nice guy!).

Because **John** was not with us, a joint photo was a problem, but 'we have the technology' of Photoshop at our fingertips as usual, to enable us to produce a wonderful 'likeness', as photos used to be called.

Thank you to **Barbara** for arranging a very enjoyable evening for us all.
