

Bromley Bash - December 18th 2011

Twenty-six visitors arrived at No 6 by car, cycle or on foot.

Much preparation had been done over previous days: two cauldrons of vegetable soup and dozens of mince pies cooked meant that a mountain of washing up was also produced.

Signs and notices - to help lost or inquisitive visitors, were posted at what we hoped were visible points!

Raffle Prizes

The raffle prizes were displayed - though many arrived with the guests.

Last, but not least, the **mulled wine** was gently warmed. Some pre-tasting was obviously necessary.

Once seated, our guests were offered mugs of **tea or coffee** and **soup** to have with their sandwiches.

Chris Byrne, who had brought Val and their grand daughter with him, was presented with a signed card to celebrate his **70th birthday** (Dec. 25th).

Once the mulled wine had loosened tongues and purse strings, it was time for the raffle.

Chris was again lucky here, for his grand daughter picked out for him the Star Prize: a 'Curry for Two', delivered to their home address.

Chris, his grand-daughter and winning ticket

The thirty or so other prizes were soon drawn and packed away in saddle bags.

Raffle time

The raffle raised £44.00. This has been donated to [Clatterbridge Cancer Research](#). Thank you to everyone.

After much chatter and a final cup of tea, our team of guests departed mid-afternoon after an enjoyable lunch.

Getting ready to leave replenished
