

The "BROMLEY BASH" - 23rd December 2012

As usual, we had prepared enough for 'the 5000', but, as in previous years, Janet phoned from the Eureka to say that only five members had turned up for the ride to Heswall!

Bob busy in the kitchen - mmm

However, come 12.00 noon, when we already had a houseful, Janet rang again to say they had had two punctures and would be late.

Soup and goodies

Lots of lovely prizes for the raffle

So, with the soup and mulled wine ready, we were happy to start the party.

Many people had brought gifts to add to the raffle prize table, plus the eagerly sought after **STAR PRIZE**: a very special 'Curry for Two' - delivered to your door.

Who did these wonderful posters?

Once the alcohol had loosened tongues and purse strings, our team of helpers sold the **affle tickets**.

The proceeds of the collection were donated to **Macmillan Nurses** and **Cancer Research**.

Once all the soup, wine, tea, coffee and mince pies had all gone, our guests began to drift away, on foot, by car, or even on bikes!

Another successful '**Bash**'.

Thank you all for coming.

Happy New Year to everyone!

Bob
