

'CHESHIRE CAT' ANNUAL DINNER - 25TH MARCH 2012

Barbara's annual ride to our venue for the Two Mills Lunch attracted around a dozen members this year.

She thoughtfully rang the pub to confirm numbers whilst we enjoyed the sunshine and 11ses at the Fox Cote Inn.

The Cheshire Cat offered a wide choice of menu but a protracted delivery which meant that poor Roy, who was last in the queue but first to be served, decided to be well mannered and wait until the rest of us were served. But even he gave up eventually and tucked in, on his own.

This year there was no Half Wheel Trophy presentation. It was withdrawn by popular demand.

However, after a free vote, Peter Williams was presented with a new Trophy Cup Award for: The Personality Of The Year.

Lunch over, and a puncture repaired for a passing canal barge owner, (don't ask, it's far too complicated), we proceeded along the towpath to Chester to join the crowds enjoying the afternoon sunshine near the river.

On then around the **race course** to rejoin the **river cycleway** and back to the **Eureka café via route 5.**
