

## ICE CREAM FARM - 2<sup>nd</sup> DECEMBER 2012

Peter's early December ride was again, well supported, but fortunately Janet offered to lead an alternative 'further & faster' ride for those who needed it, which went to the Candle Factory.

Arriving at the Ice Cream Farm

Alternative Ride Destination

This left the rest of us to ride at a more sedate pace along a well planned, flat route, dodging the odd icy puddles in the lanes.

### Who's that walking away?

11ses were taken 'standing up', whilst I looked unsuccessfully for 'winter photos'.

Where it all begins!

And where it ends!

The **Ice Cream Farm** continues to provide excellent meals, very quickly at reasonable prices.

We always feel very welcome there.

A very enjoyable ride, thanks **Peter**.
