

## SPORTSMANS ARMS, TATTENHALL - 11<sup>th</sup> March 2012

Things did not start too well for our leader **Brian**. He had a puncture outside the **Eureka café** before we started.

However, 10 of us set off on a very cold morning and we were surprised to see that Mike had chosen to be the first member out in shorts this year. Yes, it had been much warmer earlier in the week. Silly weather!

We crossed the route of a road race near **Saighton**, where we paused for 11ses and observed a large field of powerful riders sprint up the hill and disappear in the direction of Chester. Oh happy days!

**A photo opportunity?**

Our lunch at **Tattenhall** was good but expensive because only the set Sunday lunch menu was on offer. No sandwiches.

**Ready for off?**

Due to various local football matches and proposed cinema visits, the group split up for the ride home. Short or long way, as preferred.

Nice ride, **thanks Brian.**
