

Venetian Marina, Nantwich - 22nd JULY 2012

Brian's ride was his usual well organised affair.

Not only was the main 'A' ride (leaving the Eureka at 9.30 am) documented in full, but an alternative car-assisted route starting at the Ice Cream Farm, was added for extra interest.

The A team, 8 or 9, left on time, stopping only briefly for 11ses at the '50p Shop', before arriving at the Marina for lunch.

Four of us, me, Jill, Glennys and a new prospective member Steve Kelsall, met at the Ice Cream Farm, and after a leisurely cake and tea, we followed Brian's excellent route to the Marina.

The 'A' team were planning to continue their 70-mile ride, stopping for tea at the Ice Cream Farm - but we, the E team (E = Enjoying it!), used the same route but

We didn't linger at the Ice Cream Farm for tea. It was heaving with visitors due to the lovely weather.

We wanted to be home to see **Wiggins** and the **Sky Team** win **The Tour De France!!!**

Bradley Wiggins
Winner of the Tour de
France 2012

Thanks for the route **Brian**.
