

## Wednesday Riders Coffee, Tea & Cakes 26<sup>th</sup> August 2009

Although 24 riders joined Mike, Pam, Arthur and Jean for lunch at the Ice Cream Farm and tea and cakes at Birch Heath Farm, where they had set up 'camp', only a small number had left the Eureka on a very wet and dull morning. Some of us had made the decision to arrive by car for the tea party. Having enjoyed the refreshments, those who had arrived on two wheels began to make their way home. They must have got extremely wet as the rain started to come down very heavily. Thank you Mike, Pam, Jean and Arthur for the effort you made to keep us all dry, and of course for the refreshments!
