Rides leaders have the right to cancel or change rides according to the weather conditions or incidents that occur on the rides. All riders should ride in a way that complies with road traffic regulations and be considerate to other members of the group and other road users. Ride leaders may be found later in the year to cover some of the 'improptu' slots. Events organised by local Cycling UK groups are marked - details of the events can be found on the C&NW CTC website and the events section of the Cycling UK site.
