

CHESTER AND NORTH WALES CTC CTC CAER A GOGLEDD CYMRU

NEWS SHEET No 11
29th August 2009

A few reminders...

Chester & North Wales CTC 70th Anniversary Group Rides

We are coming to the end of this week of **C**(coffee), **T**(tea) and **C**(cakes) rides to celebrate the founding of the Chester and North Wales CTC (known then as the DA) on 27th August 1939. I hope the groups managed to organise an interesting event during their regular rides. Please send me photos and/or accounts of your event for our website. An account and a group photo of the **CTC Two Mills group ride** are already on the website on the News page. Go take a look.

'Cycle Promotions' Sale - Saturday 5th September

This one-day annual sale at Northgate Arena in Chester is very popular with our members. Sue Booth (CH&NW CTC Development Officer) will have a promotional stall in the entrance of the Arena. Come along, give her your support and snap up a bargain at the same time. You'll also be bound to meet someone you know. Doors open at 10.30am.

Eureka Challenge Tourist Trial - Sunday 6th September

2009 is the Eureka Cyclists' Café's 80th birthday so this year you can choose to ride 80 miles (quite tough with some hilly sections) or a gentler ride of 80 kilometres (about 50 miles). The entry fee is £8.50 and forms are available from Ann at the café. The closing date for entries is **1st September**. Extra car parking may be available at Urenco in Capenhurst.

Chester & North Wales CTC Annual Lunch 12th September

This year's lunch will be held at The Red Lion, Dogleston from 12 noon on 12th September. Order what you want on the day. Everyone is welcome to this annual meet.

President's Ride Sunday 27th September

This year, the President's Ride will take place in the Vale of Clwyd based on St Asaph. It is open to all Chester and North Wales CTC members whether or not they ride with groups. The highlight of the event will be the presentation, for the first time, of the President's Trophy. This has been kindly donated by Mrs Iris Mills in memory of her son, Graham, formerly President of the Chester and North Wales DA. Mrs Mills will be our honoured guest at lunch and she will present the Trophy to this year's winner whose identity will be revealed on the day. Further details of the event are on our website under Events.

And finally...

Holiday and Event photos and accounts

If you are out and about cycling in interesting places at events at home or abroad during the summer, record your holiday or rides with photos, video, leaflets etc for the areas you visit. We like interesting items for our website, our magazine - The Link, and who knows, maybe we could organise an evening of entertainment for our members. You can see photos of all our recent events in the Photo Gallery on the website.
