**NEWS SHEET No 12**  
12<sup>th</sup> October 2009

**AGM 2009** Chester and North Wales Annual General Meeting will be held on Sunday 1<sup>st</sup> November at 12.30pm at Kinnerton Scout Head Quarters, Kinnerton. You are requested to show your 2009 membership cards to prove CTC membership. Refreshments will be available from 12 noon at £1 per head. Bring your own lunch. Several more helpers are needed to check membership lists, organise the hall and help with refreshments. Please email the Secretary at [secretary@ctcchesterandnwales.org.uk](mailto:secretary@ctcchesterandnwales.org.uk) with offers of assistance.

**AGM 2009 Documents** The AGM 2009 Agenda, Secretary's Annual Report 2009, Draft Minutes of the AGM 2008, new Draft Local Rules and the CTC Policy Document V3, will be posted on the Documents page of our website on 23<sup>rd</sup> October 2009. Hard copies will be available at the AGM on 1<sup>st</sup> November.

**Greenway opening and photos** The new Chester to Mickle Trafford Greenway will be officially opened with a 'Sponsored 6km Walk and Fun day' in aid of the Hospice of the Good Shepherd. Meet at 10am at New Scene Building, Newton, where parking will be available. At 1pm on the day, the Greenway should be clear of all sponsored walk participants. We hope that many club members will meet at 1pm at Newton when it should be a clearer route for cyclists. Further details about the Greenway and a poster of the event are on our website [www.ctcchesterandnwales.org.uk](http://www.ctcchesterandnwales.org.uk).

**President's Trophy** The new President's trophy, donated by Mrs Iris Mills in memory of her son Graham Mills, our late past President, was awarded for the first time at the President's ride on 27<sup>th</sup> November 2009 to Lowri Evans for services to Chester and North Wales CTC.

**Help for our Development Officer** Sue Booth would like to establish a pool of willing volunteers to a) help promote Chester and North Wales CTC. This would involve setting up a stand at either CTC or non-CTC events, and b) Sue needs a pool of ladies who could stand in as reserves to lead her Ladies Rides. These short rides are held once a month on Saturday mornings from Kingsway Café in Chester. Names could be added to one or both pools of volunteers. If you could be an occasional stand-in and help to relieve Sue at crucial times she would appreciate your help. Please email her at [development@ctcchesterandnwales.org.uk](mailto:development@ctcchesterandnwales.org.uk) to be added to the pool of volunteers.

**Wirral Way Barbed Wire Incident** Early one morning recently, along the Wirral Way between Mellock Lane and Hadlow Road, a policeman was brought off his bicycle by a single strand of barbed wire which was stretched across the path. Fortunately he wasn't seriously hurt. Please be vigilant for these dangers and pass the word on.

**Llysfasi photos and other events** Photos and accounts of all our recent rides and events including the Llysfasi Hill Climb and Freewheeling Competitions are on our website.
